Issue 10

February 2006

From the Chair

Just a few words this month, as it is not long since we had the last newsletter, but they are very important words!

Firstly, the Annual General Meeting will be held on Monday 27 February 2006, commencing at 8.00 pm sharp. As usual the bar will be closed for the duration of the meeting, although based on previous AGMs combined with the excellent results we will be announcing, I do not anticipate that the meeting will take very long. Therefore you will not be held back from your bar for too long.

Don't forget that if you have any suggestions or improvements that you would like to see brought in to the Club this is an ideal opportunity for you to air your views.

Secondly, we are back in business with running a stages rally. We will back at Latton on Easter Saturday for the "Get it sideways" rally, sponsored by BP Motors.

I am sure that you are as pleased as I am that CMC will be back on the map promoting special stage rallies and I just hope that this is just a portent of good things to come on the competitive motoring front.

Lastly, don't forget that organisation for the Centenary Ball is well underway with the venue, Pittville Pump rooms and the menu now agreed and booked. Make sure that you let either Jan Robbins or Julie Mitchell know how many tickets you wish to reserve. The date for the Premier Social function in Cheltenham in 2006 is June 17 2006.

Like I said it's only a few words this time but please make a note of these dates.

Christmas Cracker 2005

It was Cracker night, so the snow was inevitable, thanks to all eight crews for turning up and braving the slippery conditions. Congratulations go to Ewan & Michelle, who needs 4wd? Well done also to the first timers, the results were all very close.

Results.
